Good Afternoon Sir,

I am contacting you in regards to a meeting that the Olympic Commanding Officer would like to have, with you, the Ralphs staff and the Wiltern Center Security. We understand that there has been some issues in the parking area and we would like to do our best to get that under control. The meeting will be on Thursday, August 3rd at 10:00 a.m. Please let me know if you will be able to attend.

Thank you very much,

Rosie Durkee
